Hi, I'm Samuel. I have three good friends, Lucas, Kyle, and Casper. We are Beauty 4 Boys.
 Lucas is my BFF. We don't look like each other, but we have the same hobby. He has big eyes and short hair. He looks like Kyle, but he doesn't wear glasses. Kyle has short but thick hair. He is funny and nice. Nothing is hard for him. For example, Casper is very quiet, but Kyle can usually tell a joke to make him laugh. Although Casper isn't good at music, he loves listening to music. By the way, he's a good baseball player.
 I'm a music man. I can play music, like the piano, the drums, and the guitar. When we get together, we have a concert by ourselves. Two of us are players and Kyle is the singer. We also have a big fan, Casper! What a perfect match!

In the classroom, students are studying and talking about a topic. Here are three examples on the blackboard. Let's take a look.

Malala Yousafzai is a young girl. She fights for women to get the same rights as men. She helps girls go to school. She believes that one child, one teacher, one pen, and one book can change the world.	Emma Watson, a popular actress, is a speaker for <i>HeForShe</i> . She fights for women’s rights. She believes men and women can feel free to do the same things. Everyone is equal.	Greta Thunberg is a student. She cares about the earth, so she asks for change. She tells us: No flying. Take a train. No eating or using anything from animals. She wants everybody to save the earth.
