(男聲) Well, here is an umbrella for you, my dear girl.

(女聲) I don't want to walk in the heavy rain. It's easy for me to get wet.

(男聲) Come on! It's only a two-minute walk from our house to the library.

Question: What may the man do later?

12. (女聲) Today is Friday. You need to take out the trash and sweep the floor.

(男聲) Come on! I stayed in the gym all day and interviewed lots of basketball players. I don't want to move at all. Would you please do those for me?

(女聲) I don't know. I couldn't move at all, and then he went away.

(男聲) What were you doing when he was in your room?

(女聲) I was reading an English storybook about a dead king.

(男聲) Hey, look! You said you were reading, but there is no English book on your desk. Maybe you fell asleep.

(女聲) Oh! You caught me.

(女聲) I see, but sometimes doing different things may help you create beautiful works.

(男聲) Maybe you're right. Why not go biking at River Park? The weather is nice, and the wind is cool.

(女聲) Not bad. Before we do that, let's check out some books from the library. I need some books for designing a new game.

(男聲) Of course. After going biking, let's have a big dinner together.

Question: What do the man and woman plan to do this weekend?

15. (M) I am always scared of speaking, singing, and dancing in front of people, but I had a different experience last night. I joined a concert last night, and the singer asked me to go onto the stage. I put on a mask and a special wig and then danced and sang in front of the people in the concert. Many people blew kisses to me and gave me a big hand. What a successful experience!
