11. G: Dad, there are many children here.

M: There are many old men, too. Children come here with their grandparents. They come here for the cute animals.

G: Dad, where are the lions? I can't see them.

M: They are dangerous animals, so they are not here. They can be seen in that area over there.

G: Can we go there to see them now? I want to see the lions. They are my favorite animals.

M: Okay, let's go.

Question: Where are they now?

12. W: How about going to the senior center with me this Saturday?

M: For what?

W: We can be volunteers there.

M: But what can we do there?

W: You are good at sports, and you can play badminton with the seniors.

M: The seniors there are so old that they can not play badminton.

W: Then how about doing some painting? Could you teach them how to paint pictures?

M: Now, there is an art teacher at the senior center. They don't need another one.

W: Then could you help clean up the table and wash the dishes?

M: With pleasure.

Question: What might the man do at the senior center?

13. M: Excuse me, I'm not from this town and I am lost. I need to find the way back to my hotel.

W: What's the name of your hotel?

M: It's Sunshine Hotel. Do you have any ideas?

W: It's a famous hotel, but I don't know how to get there. Maybe you can take a taxi. I think most of the taxi drivers can take you there.

M: It sounds like a good idea, but I don't have enough money to take a taxi.

W: Maybe you can ask the police for help. I believe they will help you.

M: Okay, I'll do that. Thanks.

Question: What is the man going to do?

14. M: Why didn't you pay for the cookies and went out of the store? We will be caught and sent to the police station. Here is one thousand dollars. Let's go back.

W: Don't worry. We don't need to pay in cash. IoT makes our lives easier.

M: Please tell me how it worked.

W: We just went into a store with no clerks or shopkeepers. We collected everything and we left the store. Then, my cellphone told me that the money was successfully paid from my online wallet.

M: That's so cool.

Question: How did the woman pay for the cookies?

15. Hello, Lily. This is Jamie. I'm calling to tell you I'm planning a trip to England next month. We haven't seen each other for a long time because of Covid-19. It's been three years. Now, I can go abroad again. Please tell me if you have time to meet me then. If you can, let me know when you are free. I really miss the snow, castles, fish meals, theaters and everything in England. If possible, let's have a big dinner with chocolate cake along the river bank.

Question: Why does Jamie call Lily?
