錄音稿：

1. The picture book which was written by Larry Jones was put on Derek's desk.
2. The dog with a black nose saved the old man after he was attacked by a lion.
3. Rose likes the bag with jewels on it because it is special to her.
4. The online game which is about wars is interesting to the boy.
5. (W) We can get cookies in heart shapes from the machine and pay with our online wallet.
6. This is the most touching movie I have ever watched this year. A fairy helped turn a cold-hearted woman into a nice one.
7. I asked Laura which company she is working for now this morning, and found that she was fired by her boss two weeks ago.
8. I'm so surprised that Mr. Opel started his second business at this old age and most important of all, it is very successful.
9. Wow! There are so many people in animal costumes, such as tigers, lions, and cats. I feel like I am at a zoo.
10. I don't know the woman who my brother was talking to, but it appears she knows me very well.
11. (男聲) Suzie, what are they in the bag?
(女聲) They are gifts from my cousin Joyce.
(男聲) Wow! I haven't seen so many different kinds of them.
(女聲) I felt so surprised when I opened the boxes that I shouted happily. These pictures are all about the heroes in the Olympic Games.
(男聲) And there are ten in each box. Wear one a day, and your friends will see different famous players on your face every day.

(女聲) You can say that again. They can keep me from COVID-19 and make me noticed.
Question: What gift did Joyce send Suzie?
12. (男聲) The man in a blue shirt looks serious and proud. I don't even want to talk to him.
(女聲) Come on! He is a person who is kind-hearted, but he seldom smiles. He enjoys helping others and he is a successful lawyer.
(男聲) How do you know that? It looks like you are close to him.
(女聲) Of course. The boy you gave candy to is my son. And the man is his father. He is coming over to pick us up.
(男聲) Uh, uh! Sorry.
Question: Why does the woman know the man in a blue shirt so well?
13. (男聲) Here! Your new dress is finished. How do you like it?
(女聲) Wow! It's very beautiful. I like it. Can I try it on?
(男聲) Of course.
(女聲) Wow! I look like a movie star when I wear the dress.
(男聲) I am really blandished.
(女聲) No, you are really a born designer. This is the third time you made clothes for me and you are doing better and better. I can't.
Question: What does the man mean when he says "I am really blandished?"
14. (男聲) I am David, a person who likes to watch movies. I am watching the movie Small House in which all of the people in the house were put a spell on. This is the best movie I have ever watched in my life. However, my sister can't believe I've watched it so many times because she thinks it is too scary for her. She covered her eyes most of the time when she was watching it last time.
Question: Which is true about the talk?
15. (女聲) Well, there is something wrong with my car which I bought two months ago. Could you check it for me?

(男聲) Sure. What's the problem?

(女聲) Listen! When I start the car, some strange sounds come from under the back seats.

(男聲) Maybe there is something there. Let me check.

(女聲) Is that serious? Will I have to change a new car? I just spent one million dollars on it.

(男聲) Don't worry. You can take a rest and enjoy drinks and cookies on the sofa. It will take me some time to check it.

Question: What can we learn from the talk?
