【36-38】

What do you need?

1. a clean glass jar or bottle with lid  
(Big ones can make a big tornados.)
2. some water
3. some dish soap  
(It is the thing you use to wash dishes.)
4. some food coloring

Here are the things you need.

What do you do?

1. Fill the jar or bottle with clean water. Do not fill the water to the top. The water needs some room to turn around.
2. Put some dish soap into the jar or bottle. Don’t put too much. Just put a little.
3. Put some food coloring. The color will make it easy to see the tornado.
4. Put the lid back on so that the water cannot come out.
5. Pick up the bottle and give it a good shake. You may need to shake it in a few different ways to find out which way works best. After a few seconds, you should see the water begin to turn around and around so fast. Now, you can watch your tornado!

What do you get?

Enjoy it!

How cool! Now you can have fun with your tornado-in-the-jar or bottled tornado! These steps are easy enough for children. Do you enjoy an activity like this? Join us this summer!
