Xin-ya News 2022/9/8

Queen Elizabeth 2nd passed away peacefully in her sleep at home today. Everyone in the UK was sad about the news. They can't see her anymore.

More about Queen Elizabeth 2nd

★She became the queen of the UK in 1952 when she was only 25 years old. Then she and Philip were husband and wife for 74 years. She had a sister, Margaret. She had four children: Charles, Anne, Andrew, and Edward. She had eight grandchildren and twelve great-grandchildren. Her father was King George 6th.

★Queen Elizabeth 2nd worked most of the day. She was a dog-lover, too. After work, she liked playing with her dogs. She had many houses and castles. So, she didn't live in the same place.

During her time as a queen, she met her people face to face and gave them care and love. No wonder people in the UK see her as the great queen in history.

Bella: Look at the rabbit! Isn't it cute?
Robert: Yes, it is, but the rhino is going to eat it.
Bella: That's not true. Rhinos are plant eaters.
Robert: Look at the two tigers. One is big and the other is smaller.
Bella: The small one is Sumatran Tiger. It is about 100 kg.
The bigger one is Bengal Tiger. Male Bengal Tigers are 200-270 kg. Bengal Tigers are really dangerous.
They eat other animals, even leopards.
Robert: Aren't leopards dangerous?
Bella: Yes, but tigers' size is even bigger. Leopards are meat eaters, too. Leopards can run very fast, but they do not run for a long time. They eat rats, monkeys and even rhinos.
Robert: These big cats are scary.
Bella: Come on! They are just pictures. They are not coming to us. In fact, people even eat tigers. One animal doctor says tens of tigers are dead every year because humans kill them.
